

The Development Team for Learning and Discipleship

Gordon Fyfe

The Team offered 'The Word is Very Near You' with two sessions each over two Saturdays. This short course gave participants insight into various creative ways to do Bible Study at local parish level.

On 17 May we will offer a one-day session called 'Music for small churches' at Holy Name, Cumbernauld. This day will seek to address some of the issues facing many small congregations regarding their approach to music in the liturgy with limited resources. Revd Canon James Milne, Mr Stuart Muir and representatives from St Oswald's, Maybole among others will help offer this day.

We continue to work with members of the Development Team for Liturgy and Worship on 'Know your Rite', a study booklet about the 1982 Scottish Liturgy. Two draft sessions have now been produced and will be sent out to be 'tested' by a couple of groups in the diocese. It is hoped that this study guide may in time become a useful resource throughout the Province.
