

Diocese of Glasgow & Galloway
Development Team for Prayer and Spirituality (DPTS)
Aims & Objectives

The Team:

Revd David Wostenholm (Convenor)
Jennifer Fitzgibbon
Maureen Russell
Rachel Inglis

The Development Team for Prayer and Spirituality provides resources to help individuals, groups and congregations within our Diocese, grow on their spiritual journey.

We, the Development Team for Prayer and Spirituality (DTPS) will encourage your Church to get in touch with your longings for your Church and Community.

We will help you to reflect on these desires and to discern how they might be in tune with the will of God for your Church.

We can offer a number of ways in which you can move this reflection forward in to practice for the building up of the kingdom of God.

For example, we can arrange or facilitate:

- Quiet Days or mornings
- Retreats
- Workshops on different ways of praying and of reading scripture.

We also maintain a list of Spiritual Directors

We can offer links to other resources such as Ignatian Spirituality Centre, the Epiphany Group and Cursillo

We encourage the spiritual development in the Church to be informed by and responsive to the Church's wider social context and to be reflected in all the other areas of the Growth Strategy.
