

**Diocese of Glasgow & Galloway**  
**Missional Leadership Development Team**  
**Aims & Objectives**

**The Team:**

Revd Jane Ross (Convenor)  
Gill Reynolds (Secretary)  
Scott Robertson

**Skills and Expertise**

Our overall goal is to build confidence and to encourage congregations in ways of leading that are outward-looking, community-serving and kingdom-building.

We will serve the diocese by organising events and providing resources that look at:

- leadership
- vocation & discipleship
- vision
- communication
- innovation and fresh expressions
- culture and context

Our members are available to discuss these areas at a local level with congregational leaders.

We will work collaboratively with the other Development Teams as much as possible.

We have produced a workbook on Missional Leadership that is available for congregational use. We have organised day conferences on leadership and vocations. In January 2014 we will host a conference on Missional Leadership at which the Rt Revd Graham Cray will be the keynote speaker.
